# Signature

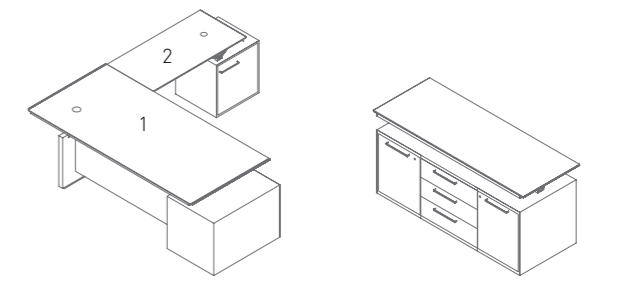

Reimagining the simple office desk as an object of refined sophistication, Signature is an executive design at the top of its game. The desk pairs a smooth glass surface with angular, cubic cabinets in a display of contrasts that makes Signature the deserved centre piece of the office environment.

It has a floating look & gives a streamlined user experience that focuses on practicality and space. A desk to make an impression and make life easy.

# Collaborate

User friendly is the basis of Collaborate design; every detail shows the infinite satisfaction of all different needs. The main desktop comes with a Height adjustable side storage & a credenza. Over all setting supports different ways of working giving a break to the sedentary workstyle. Side stage has a pneumatic lifting function, which meets the need of sitting and standing posture, as well as for open discussions.

# Height Adjustable Table

The Motorized Height Adjustable Table is the result of intricate study of ergonomics in office space management and the key to user satisfaction and increased productivity. By preventing a sedentary posture, they ensure reduced employee health risks. This high quality automated system coupled with its innovative and sleek design is another step towards better ergonomics.
